**JUDGEMENT****MONAPATHI AJ**

- [1] In this appeal matter, the main issue was that the High Court had refused the Appellant leave to appeal to this court and the Appellant instead of applying for leave to this court noted a direct appeal.
- [2] Appellant was asked to rectify a certificate for correctness of the record duly signed by the Registrar. Having done so, he then applied for postponement of the matter. Respondent did not oppose. Respondent also tendered wasted costs of the postponement to which the Appellant agreed. That became the order of court.
